Program Rules

01. Purchase Participating Products from a Grower Point of Sale (GPOS) reporting retailer between dates of Oct. 1, 2025 – Sept. 30, 2026
02. Participating Products will only be considered for earnings calculations if reported to Corteva Agriscience via grower point of sale (GPOS) from a GPOS reporting retailer.
03. Rebates will be paid directly to the purchasing grower and will be calculated and paid by Dec. 31, 2026 or as soon as commercially reasonable thereafter.
04. Acre conversions are rounded to the nearest whole acre.
05. Tolvera® herbicide acres can be matched with multiple Participating Products. The total rebate paid to the grower for its converted acres of each Participating Product will not exceed the converted acres of Tolvera purchased by the grower.
06. Corteva Agriscience reserves the right to audit growers' purchases and use of Corteva product on their owned or rented acres.
07. All information provided by Corteva regarding individual program earnings is a good faith estimate of total earnings potential. Actual total program earnings and payments will be calculated by Corteva at its sole discretion.
08. Corteva reserves the right to modify or terminate this program at any time without notice.
09. Participation by growers in this program is voluntary and is not required in order to purchase Corteva products.
10. Earnings under this program must reach or exceed \$250 to qualify for rebate.
11. Corteva reserves the right to withhold program payments with respect to transactions which it believes are not made in good faith, are not made in the ordinary course of business, or are made with the purpose of manipulating program earnings. For example: Corteva will not recognize volume sold to growers in excess of their needs for their own use or sales to entities in the business of reselling agricultural chemicals.
12. Participation in this program is subject to any terms, conditions, and procedures that Corteva may at its discretion adopt from time to time.
13. Qualifying Geography: States approved for use of Tolvera and Participating Products.
14. Retailers must meet reporting requirements (Report EDI, Ending Inventory and Grower Point of Sale (GPOS) in order for the rebate to be calculated and paid to the participating grower each year.
