

LOSE THE LIQUIDS | DITCH THE TRENCHES | ELIMINATE COLONIES

THE STANDALONE SOLUTION

TERMITES DON'T STAND A CHANCE

YOUR EQUIPMENT CHECKLIST SHOULDN'T BE LARGER THAN A TERMITE COLONY.

The Sentricon™ system is all you need to ensure total colony elimination for every situation. It features in-ground bait stations to help streamline your business and boost your profit potential. Sentricon™ is backed by more than 70 scientific studies and approaching 30 years of proven performance, making it a name you can trust. It's the standalone solution that stands above the rest. **All you need is at Sentricon.ca.**

THE SENTRICON™ SYSTEM IS...

- **The peace-of-mind solution.** No other product can match the proven termite colony elimination power of Sentricon.
- **The proven solution.** Backed by over 70 scientific and third-party studies and over 25 years of proven performance, Sentricon has been trusted by nearly 5 million homeowners in North America to ensure their properties remain termite-free.
- **The complete solution.** Sentricon uses in-ground stations to eliminate termite colonies, eliminating your need for any other type of treatment.
- **The low-impact solution.** Sentricon poses virtually no risk to non-target organisms, including people and pets, and has a very low impact on the environment.
- **The innovative solution.** For over 25 years, Sentricon has been evolving and innovating, continuing to be the No. 1 consumer preferred termite treatment on the market. Rest assured, an investment in protecting your home with Sentricon means you will always be backed by the best product and service professionals in the business.

When it comes to protecting your property, your family and your environment, settle for nothing less than Sentricon — The standalone termite solution.
